Land Use Proposal: King Street, Windsor

Changing Property Use from Commercial to Institutional

Presented by: Jason Parker, Campus Pastor

WHO WE ARE

Our Mission

New Hope Wesleyan Church is a community of faith dedicated to bringing **hope and healing** to our neighbours.

We believe in practical service, building deep connections, and supporting families throughout the West Hants region.

OUR GROWTH STORY

1990s

Kentville

Our foundational campus launched.

2018

Kingston

Expanded to serve the Valley community.

2025

Windsor

Launched October 2025 to bring hope to West Hants.

ACTIVE IN WINDSOR

Our Congregation

Currently renting weekly at the Cedar Center on Cedar Street.

- 60+ Weekly Average Attendees
- **Hope Kids:** Thriving children's ministry
- Multi-generational community

THE KING STREET PROPERTY

A Permanent Home

The acquisition of the King Street property represents a significant milestone for our church and the town of Windsor.

This 24/7 location will allow us to maximize our potential to add value through daily programming and outreach.

PROPOSAL OVERVIEW

USE

CHANGE REQUEST

Shift to Institutional

Our intent is to purchase the property for use as a **Place of Worship** .

Changing the use from Commercial to Institutional allows for weekly Sunday Worship services and the expansion of community -focused ministries.

FOOD BANK

A Potential Tenant at King Street

The local Food Bank is exploring a lease of dedicated space in the basement of the King Street property.

This would provide an established organization serving West Hants with an operating location, while making productive use of the existing facilities.

The Food Bank would operate independently as a tenant.

ADDING COMMUNITY VALUE

Youth Ministry

Safe spaces for teens to connect and grow.

Hope Kids

Investing in the future of Windsor's children.

Hope in Action

Crisis support and community connection points.

PROPERTY STEWARDSHIP

Enhancements & Care

We are committed to maintaining the character of King Street while modernizing the facility.

- Code-compliant washroom upgrades
- Aesthetic enhancements and preservation
- High standards of cleanliness and care

A "GOOD NEIGHBOUR" POLICY

Operational Area	Our Commitment
Parking Logistics	Peak time is Sunday 10:30 AM – 11:30 AM. Proactive management to minimize local disruption.
Noise & Traffic	Low-impact activities throughout the week. Respect for residential and business neighbours.
Social Impact	Active participation in Windsor's local events and community initiatives.

Something Inspiring Awaits

NEW HOPE WINDSOR

"As a visionary and hockey coach here in West Hants, I am filled with anticipation about the vibrant community we can build together."

Questions?

We appreciate your time and consideration.
