MOTOR VEHICLES ACT REFERENCE

Permits are required under Section 90 (8) of the Motor Vehicle Act which states that:

No parade, procession or walkathon shall march, occupy, or proceed along the highway not included within the boundaries of a city or town unless a permit has been granted by the PROVINCIAL TRAFFIC AUTHORITY prescribing the route to be followed and the time when the parade, procession or walkathon may take place.

A similar permit is required from the LOCAL TRAFFIC AUTHORITY of a city or town for that portion of the route with the boundaries of the city or town.

This permit is issued under the following conditions.

1. No portion of the event may take place on a 100 Series Highway unless specially noted as follows: _____
2. No entrants may push, pull, or ride upon any item or object upon the roadway while participating in the event.
3. The highway will be kept open for normal traffic movement at all times, and vehicular traffic will not be obstructed in any manner.
4. The entrants must obey all applicable provisions of the Motor Vehicle Act at all times. This permit does not convey any special privileges or rights to exempt any portion of the Act.
5. It shall be the responsibility of the applicant to ensure that all the necessary safety precautions are taken to ensure the safety of the entrants and all other road users.
6. Children under the age of 8 participating in the event must be accompanied by an adult.

ADDITIONAL CONDITIONS:

7. The portion of highway on which the runners are running is to be closed by a "moving closure" enforced by a member of the RCMP.
8. A marked RCMP vehicle will lead the event, and a marked RCMP vehicle, Fire Department vehicle, or Ambulance will follow the last runner.
9. Runners will run on the left-hand side of the road
10. All check points and stations, etc., will be on the left-hand side of the road, so that runners do not cross the road.
11. Start/Finish area is to be off the highway.
