To whom it may concern,

I am writing this letter in hopes this issue will be resolved soon.

I am located at [REDACTED] Destination Way in Lower Vaughn. We have been here for over a year now and we still have no garbage collection.

This is a community of high end homes which should have curbside collection. Any bins or a communal collection spot would be an eyesore to this beautiful subdivision.

I was triggered to send this letter now as I just received my property tax invoice and I am unsure of what my \$4000 plus dollars is going towards.

West Hants does not provide us with garbage removal or snow removal and we are serviced by a volunteer fire department so I question what exactly are we paying for? At these rates, I certainly hope curbside garbage collection will be available to us soon.

As of now, everyone places their garbage at the end of Destination Way and it is making a terrible mess in the community.

If someone could respond to me it would be greatly appreciated.

Thank you in advance,

Rob Blackwood
