RE: THE NEED FOR A COMMUNITY CENTER -

I am writing this letter, as a concerned senior, to make the WHRM aware of the need for a Community Recreation Center in our area to house our active Senior Community.

Organizations like the Glider's Club, Lions Club and others have struggled to keep these Clubs going due to a lack of a proper facility.

We need an affordable and accessible Recreation Center to house our Senior Games Committee events, bocce ball, cards, darts, pickleball and a floor shuffleboard (3-4) court tiled into the floor.

The WHRM Senior community is fast growing and this need is immediate. Lets start planning and get this done.

I am writing this letter, as a concerned senior, to make the WHRM aware of the need for a Community Recreation Center in our area to house our active Senior Community. Organizations like the Glider's Club, Lions Club and others have struggled to keep these Clubs going due to a lack of a proper facility.

We need an affordable and accessible Recreation Center to house our Senior Games Committee events, bocce ball, cards, darts, pickleball and a floor shuffleboard (3-4) court tiled into the floor.

The WHRM Senior community is fast growing and this need is immediate. Lets start planning and get this done.
