Enjoy the Outdoors at a WH Recreation Site Hobarts Beach

Have you heard about the bass fishing along the Hants Shore? Fishermen are flocking to the beach from near and far to try their hand at catching a striped bass. The Hobarts Beach Recreation Site offers the perfect conditions for this past time, with a boat launch area and plenty of beach. The site is also popular for watching the eagles soar and the remarkable tides rise and fall. Hobarts Beach is at the end of Block Wharf Road in Summerville.
